These authorizations are valid for as long as my student, \_\_\_\_\_, attends the Early College of Arvada. If at any time, you would like to change your consent, you may contact the school to complete a new form. Please note that changes to consent can take up to 5 business days to implement.

**MEDIA** – Please choose one of the following privacy options concerning the use of media materials that contain images of your student.

- ALL ALLOWED - I consent to my student being photographed, videotaped, or interviewed and for their name and image to be used in school or board publications, media coverage, and at school related events.
- YEARBOOK AND ECA ONLY - I consent to my student being photographed, or interviewed only for the yearbook and for display within the ECA building.
- NONE ALLOWED- I do NOT consent to my student being photographed, videotaped, or interviewed.  
*I understand that this means my student will not be included in the ECA yearbook.*

### **MILITARY RECRUITER CONTACT**

Each year, ECA hosts a military recruiter to give an assembly to students to share about their experiences in the military and to discuss the military as a path toward higher education. This is not a recruiting event, but is an informational presentation.

- YES - My student may be contacted by military recruiters and may participate in recruitment meetings.
- NO - My student may NOT be contacted by military recruiters or participate in recruitment meetings.

**SAFE SCHOOLS SURVEY** – Each year, ECA asks our students to participate in a survey so that we can learn more about our students' environment from their perspective.

The survey will ask students about bullying and violence at school; how well students get along with one another and with school staff; whether the school building is clean and well kept; and any student drug, alcohol or cigarette use. Your child's answers will be anonymous. This means that your child's name can never be connected to his/her answers.

- YES – my child may participate in the survey annually
- NO – my child may NOT participate in the survey annually
